*My Message

Due to the Covid-19 crisis I have some changes. No one can come to class if they are sick or have been around someone sick. I delayed the start date, am limiting my number of classes to four weeks and will only have 6 students per class time. I am keeping areas clean before and after each class. My bathroom has paper hand towels to dry hands. Students are welcome to wear masks. If anyone has other concerns, please bring them to my attention.

I think that the kids and adults need a creative art break!
